

Brookes

Moscow

Welcome...

Brookes Moscow will throw open its doors to local families from Russia and those from across the globe, in September 2018. Our extraordinary building, due for completion in early spring, will be equipped and presented with both substance and style; complementing the strength of the International Baccalaureate Curriculum which we will be providing for our students.

Please take this opportunity to read on and discover the opportunities open to you and your children, as part of our Brookes Family and, as one of the founding members of the school. You are welcome to discover more on our website, through a range social media and by expression of interest to our admissions department.

Vision and Philosophy

The vision and philosophy of Brookes Moscow is to create a challenging and motivating English speaking learning environment where students and staff from around the world use the programmes of the International Baccalaureate and work in harmony. We firmly believe that as educators, our mission is to draw out the human potential from within each student. We achieve our mission of unlocking that potential through the constant development of our three pillars - **Character, Connection and Creativity.**

We measure and achieve our success through building character, connecting minds and places and creating innovative educational experiences that challenge our students to understand their relationship with the world and its people.

Curriculum

The International Baccalaureate (IB)

Brookes Education Group is committed to implement and develop the International Baccalaureate (IB) Programmes and Brookes Moscow is a candidate school leading to full authorisation as a continuum IB World School. Supporting the Russian Curriculum

Brookes Moscow will provide access to tutoring and guided support for students wishing to access the Russian Curriculum. This will be available during the early evening hours, after the main school day. Official vetted Russian teaching staff will utilise the school to provide lessons, supporting the Russian curriculum and leading to successful preparation for state examinations.

Our Team

A team of fully qualified and dedicated expatriate and local staff will support, challenge and nurture the students at Brookes Moscow. Staff from across the globe will join us to form a truly International community of learners and educators. Alongside, and integral to the success of Brookes Moscow, will be a highly skilled team of pastoral and administrative staff.

Parents will be given the opportunity to regularly meet with their children's teachers, and an open-door policy and clear lines of communication, will ensure that all queries are given our utmost attention.

Our team are here to provide a premium education for the children at Brookes Moscow and a seamless service to parents in all administrative, pastoral or educational matters.

Sport

A range of sporting opportunities will feature highly at Brookes Moscow. With a state of the art swimming facility, a large sports hall, outdoor pitches, a martial arts hall, ballet studio and qualified sports instructors, students will be offered outstanding education in a range of sporting disciplines. Fixtures will be played against other International and local schools throughout the academic year. Physical Education and Games are both undertaken as part of the main curriculum and will occur between 3-4 times each week.

Through sport, we are promoting healthy lifestyles, fitness, determination and confidence.

Global Opportunities

Students at Brookes Moscow join a rapidly expanding group of schools, all who will offer student exchange programmes and study abroad opportunities at: Brookes Cambridge, Brookes Shawnigan Lake, Brookes Westshore, Brookes Silicon Valley, Brookes Bangalore and Brookes Seoul.

Future key locations across the globe are under consideration.
